Weiyuan Sun- Health Administrator

The meeting was called to order at 7:33 p.m.

Emergency Permit-Beaver Trapping – 37 Mohegan Road, , 40 Brook Street, and 908 Main Street

The Health Department has received a request for an emergency ten day beaver trapping permit for the property located at 37 Mohegan Road to allow for trapping that has caused flooding on the property in close proximity to the onsite septic system. The Health Department recommended that the Board approve a ten day emergency beaver trapping permit, beginning on May 1st, 2018.

On a motion made by Mr. Kreuze seconded by Mr. McInnis, the Board unanimously voted to approve an emergency beaver trapping permit for the property located on 37 Mohegan beginning on May 1st, 2018 for a period of ten days.

The Health Department has received a request for an emergency ten day beaver trapping permit for the property located at 40 Brook Street to allow for trapping that has caused flooding on the property in close proximity to the onsite septic system. The Health Department recommended that the Board approve a ten day emergency beaver trapping permit, beginning on May 1st, 2018.

On a motion made by Mr. Kreuze seconded by Mr. McInnis, the Board unanimously voted to approve an emergency beaver trapping permit for the property located on 40 Brook Street beginning on May 1st, 2018 for a period of ten days.
