Virtual Meeting via Zoom

Present:

Joan Gardner
Tom Gillispie, Chair
Karen Martin, Vice Chair
Luisa Callahan
Fred Kinch
Mike Perry

Cathy Fochtman

Tom Gillispie opened the meeting at 7:04 PM.

Tom started the meeting discussing the Citizen's Petition and our responses. He has been gathering our responses to the Petition's points and editing them. They will be arranged in order of presentation for Town Meeting.

Next on the agenda was the Stanton Design Grant. This is second in importance to the Citizen's Petition. There is an Assurance checklist and a draft budget on the Stanton Foundation Web Site. We should call on the potential designers for a budget to build the park, and preliminary sketches that must include estimated size, proposed perimeter, and a layout of the perimeter.

Fred said that there has not been any meeting of the AHA since our last meeting.

Clare has been busy with alerting people to vote for the park and against the Citizen's Petition in the coming Town Meeting. Karen will be meeting with the Town manager in the next Java with John. The Friends of the Dog Park is handling most of the communications for us.

Cathy reported that the committee has \$7,775 in the account. Working on more grants and should hear soon.

The FinCom will be meeting on May 25 to review the Dog Park, warrant items for Town Meeting, and the Citizen's Petition.

Meeting Minutes from the May 6th meetings were reviewed and approved unanimously.

No Old Business.

Next meeting – 6/3/2021 – Minutes, Clare

No Citizen's Concerns

Adjournment at 7:41.

Respectfully submitted.
