 - e. Supporting discussion:
 - i. Mr. Alesbury asked when we need to have the 2023 CPA Plan updated. He is thinking late August or early September to look at some best practice discussions. Based on that August 23rd with an eye towards a draft of plan by September 13th.
 - ii. Mr. Alesbury asked about the status report of the existing approved projects. Ms. Guichard noted our practice was to close out the award letters and then get updates from prior projects Planning should have the Project Overview document ready for September 13th.
 - f. Mr. Alesbury would like to discuss a running 5-to-6-year plan as described in the best practices work. Flexibility would be one aspect of the work as situations will change over time and it is not intended to lock the committee in nor provide any guarantees to multi-year projects. Mr. Alesbury is not sure what they procedural needs are for that to coordinate the collection of this document and he doesn't want to burden the Planning Department. Summer is best time to commence with this work. Mr. Charter suggested it be a modification of the plan and we can vote that in August meeting. We can't vote on it tonight since it is a net new topic. Mr. Charter and Mr. Alesbury to discuss further during Chair handoff.
 - g. Mr. Yacouby thinks we did a planning strategy 3 years ago and this would formalize that line of work.
 - h. Ms. Nicol suggested a July meeting, so it is not too long after the May meeting to discuss the best practices suggestions. She also wants feedback from the primary stakeholders (e.g., Rec, Housing, Historical, Open Space).
 - i. Ms. Nicol thinks October 11 might be a better time to review the Project Status updates.
 - j. Mr. Alesbury is good with moving project status to October.
 - k. Ms. Guichard stated that the State guidance should arrive mid-July.
 - l. Mr. Trimble suggested we lock in all dates to ensure we could hold the ZOOM ID. He also gave a recreation update including vendor related delays to Gardner and that the \$100k provided a year ago would be spent down this bill cycle for playground equipment.
