- Review of meeting minutes from previous meeting

June 2, 2023 Meeting minutes were approved by all members in attendance.

### **2. New/Special Business –**

Mike Majors was recognized for his long-time service to the town of Acton, and especially appreciated for his advocacy for the new Minuteman Tech building and cross committee representation (Finance Committee and EDC).

Planning Board representative James Fuccione had some engagement with EDC, but has not been active lately. It is unclear whether he is officially appointed as the liaison to EDC.

Dave Cote was nominated by Mike Majors to be a finance committee member. The process of getting appointed needs clarification.

Discuss support of RH Adhesives.

RH Adhesives has been manufacturing specialty adhesives since 1949 in Acton. Mike Carpenter, CEO of RH Adhesives, originally contacted the Planning Director and another staff member in anticipation of making a good-faith effort to improve/restore the land next to the river. As a result of the visit by town employees, Mike learned that he had to go through a series of applications and receive approvals related to a recently installed storage unit that sits on footings behind his building.

EDC members (with Mike Carpenter abstaining) voted to provide support for RH Adhesives to urge the town to reach a mutually agreeable solution, recognizing the company's long history and its desire to act in an environmentally responsible way. The EDC's support aligns with the committee's goal of retaining existing businesses in town.

Julie suggested that EDC members might want to attend a meeting to discuss a wastewater feasibility study.

South Acton Vision and Planning Advisory Group (Catherine)

In addition to planning for a revitalized South Acton, the group is proposing areas to be rezoned for multi-family housing by right to comply with the state's requirement for MBTA communities. In addition to multi-family zoning, the group will likely recommend zoning changes that encourage commercial development (retail and restaurant especially) in the South Acton Village District.
