

## **ACTON 250<sup>TH</sup> COMMITTEE**

### **History Subcommittee**

October 12, 2023

Meeting minutes

Attending: Bob Ferrara, Anne Forbes, Bill Klauer, Pamela Lynn

---

The potential meeting of the Acton 250 History Subcommittee was called into order at 2:10 by Pam Lynn outside the Acton Memorial Library out of anticipation that the committee might be able to discuss upcoming events and immediate issues at the conclusion of a planned tour of both the library and the Acton Town Center, a scheduled event sponsored by the Acton 250 Committee.

At that time no Resident Concerns were expressed by the group of approximately twenty individuals.

With a walking tour of two and a half hours no discussion was possible either at its conclusion or during the tour itself.

Respectfully submitted,

Pamela Lynn
