**Lifetime Achievement**

**Susan Mitchell-Hardt** of Acton received the **Lifetime Achievement Award** for her long-time leadership of local conservation projects.

Susan became involved in community conservation efforts in the 1990s, when she participated in the campaigns that preserved Camp Acton and the Morrison Farm in Acton. In 1998, she teamed up with Karen O'Neill to revive the Acton Conservation Trust (ACT) and has served as its president for the past 25 years. Under her leadership, ACT has played a role in the protection of 11 local properties with more in the pipeline.

Susan also chaired a committee that successfully encouraged Acton residents to adopt the Community Preservation Act. She has volunteered for a number of town committees, including Open Space, Community Preservation, and East Acton Village. Most recently she helped lead the effort to create an Agricultural Commission and to get a Right to Farm bylaw enacted.

“As you can tell from this accounting of all of Susan’s conservation accomplishments,” Laura said, “her energy is boundless! Susan is truly deserving of this Lifetime Achievement Award.”
