The ADPC meeting was called to order at 7:05 PM.

Agenda will be to receive an update from Thom B and planning next tasks. The dog park has been put out to bid on Project Dog and in the local paper. Contractors must submit a bid by December 19th.

To be determined is the water service. If changes are needed, an amendment can be made to the contract. Everyone is positive about potential contractors and feel the cost estimates are reasonable.

A meeting will be held on December 19th to review bids.

ARPA funds will be used to support additional expenses incurred for studies needed for water management.

Thom B. encouraged everyone to attend the special town meeting.

Friends- Karen encouraged a joint meeting to discuss next steps with fundraising. Discussion ensued about solar lights, benches, messageboard and other FBOs. The committee has some options and flexibility if needed.

The Water Impact statement is being compiled.

Next meeting is scheduled for Thursday, December 19th.

Meeting was adjourned at 8:13 PM.

Respectfully submitted,

Karen Martin
