#### **New Business/Old Business Updates**

1. Tom Begin provided an update on construction: Woodall has started clearing and grading the site and working on the drainage system. There is a lot of work happening, and we should expect much more to be done this fall. (Hooray!!!) Tom Gillispie encouraged all of us to visit the site.
2. We discussed the base preparation for the shed. CPA funding will not pay for it. We decided as a first step to ask Woodall for a quote to do the work.
3. The Friends are working to get an article about the progress/construction in the Acton Exchange.
4. Karen asked that each of us take as a goal the selling of 5-10 calendars.

#### **Minutes**

Outstanding minutes were deferred until a future meeting.

Respectfully submitted
