MEETING CALLED TO ORDER AT: 2:00pm

OLD BUSINESS:

Review and sign minutes from last meeting.

Minutes reviewed and signed

Morrison Farm:

Mike Gowing reports they are moving forward on issues without the community building. The CPC is still interested in doing a bond. Friends of Morrison Farm have approx 100K for plans. Brewster Conant expressed concerns about fixing the Robbins cellar hole, he would just like to clean it up.

Extend water line from Concord rd field irrigation system to the Morrison Gardens.

Tom Tidman states the reason for the request is that the existing water service is connected to the Morrison house and needs to be disconnected. Bill Klauer requests that the Commission look into lifting the deed restriction issued around 1956, otherwise there will be 2 deed restrictions preventing future burials. Mike Gowing suggested that they could do a temporary system instead of a permanent system. The Commissioners would like more time to review the request.

NEW BUSINESS:

Discuss possible Eagle Scout projects within the cemeteries.

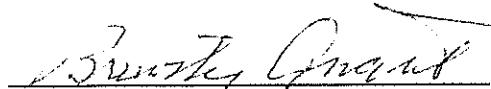

Bill Klauer suggests that some projects could consist of raising flush markers, creating cemetery map kiosks, digitally photographing monuments, cleaning up the Robbins site and putting up a split rail fence around it.

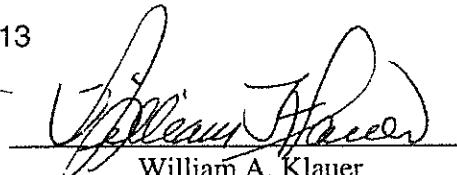

Reorganize

Barbara Walsh would like to resign, she will submit a formal letter for acceptance at the 7/10/2013 meeting. Bill Klauer motions that they hold off on their reorganization until a new member is appointed. Motion, 2nd, passed.

Meeting adjourned at : 3:10pm
