PRESS RELEASE: Baker-Polito Administration Announces Further

Measures to Stop the Spread of COVID-19

BOSTON — On December 22, the Baker-Polito Administration announced further restrictions to help stop the spread of COVID-19 in the

Commonwealth, including new capacity and gathering limits. These measures will go into effect on Saturday, December 26 and will remain in effect until noon on January 10, 2021.

Read a summary of the restrictions [here](https://www.mass.gov/info-details/temporary-capacity-and-gathering-limits) [<https://www.mass.gov/info-details/temporary-capacity-and-gathering-limits>].

Read the emergency order [here](https://www.mass.gov/doc/covid-19-order-59/download) [<https://www.mass.gov/doc/covid-19-order-59/download>].

Capacity Limits

Effective Saturday, December 26, most industries in Massachusetts will be subject to a 25% capacity limit including:

- Restaurants (based on permitted seating capacity)
- Close Contact Personal Services
- Theatres and Performance Venues
- Casinos
- Office Spaces
- Places of Worship
- Retail Businesses
- Driving and Flight Schools
- Golf Facilities (for indoor spaces)
- Libraries
- Lodging (for common areas)
- Arcades and Indoor Recreation Businesses
- Fitness Centers and Health Clubs
- Museums, Cultural Facilities and Guided Tours

Workers and staff will not count towards the occupancy count for restaurants, places of worship, close contact personal services, and retail businesses.

All other rules and restrictions in each sector-specific guidance will remain in effect.

Gatherings Limit

- Effective Saturday, December 26, the gatherings limits will be updated. Indoor gatherings will be limited to 10 people. Outdoor gatherings will be limited to 25 people outside.
- The gatherings limit applies to private homes, event venues and public spaces.

Elective Surgeries

The Department of Public Health released updated guidance to hospitals around nonessential, elective invasive procedures. To preserve health care personnel resources, effective 12:01am on December 26, all hospitals are directed to postpone or cancel all nonessential inpatient elective invasive procedures in order to maintain and increase inpatient capacity. Hospitals shall make every effort to preserve their inpatient capacity by cancelling nonessential electives and redeploying staff.

Patients are reminded to still seek necessary care at their hospital or from their health care provider.

Town of Acton Designated as "Medium Risk" Community

According to the statewide public health data released from MassDPH on Dec. 1, the Town's designation is still "yellow," indicating a "medium risk" in the community.

According to the state data, Acton's average daily incidence rate, which the state uses to calculate risk determinations, has risen to 19.9 per 100,000 residents.

As cases continue to rise not just in our community, but throughout the entire state, it is vital that we all take the necessary precautions to prevent any further spread of COVID-19. This includes following CDC guidance regarding celebrating holidays this year. Thank you for your understanding and cooperation, working together toward a common goal is essential for stopping the spread of this disease in our town.

Residents are urged to continue to practice social distancing, wear face

coverings in public and limit their interactions with anyone who lives outside of their household.

According to the Centers for Disease Control and Prevention, traveling increases one's potential to be exposed to COVID-19 and of potentially spreading it to others. Staying home and observing the holidays with those in your household or hosting a virtual celebration are the best ways to protect yourself and others from COVID-19.

COVID-19 prevention tips from the Massachusetts Department of Public Health include:

- Remember that an infected individual can spread COVID-19 before they have symptoms, which is why social distancing, maintaining a minimum of 6 feet from others, is critical.
- Those who must go out are urged to:
 - Avoid gathering in groups
 - Maintain 6 feet from people outside your household
 - Do not shake hands or hug
 - Wash your hands often
- Those who are at a high risk for COVID-19, including those over the age of 65 and with underlying health conditions, are advised to stay home and avoid non-essential tasks and errands
- Wear a mask in all public indoor and outdoor spaces. This does not apply to those with underlying health conditions.
- Face coverings should:
 - Cover the nose and mouth
 - Fit snugly and comfortably against the side of the face
 - Be secured with either ties or ear loops
 - Permit breathing without difficulty
- Be able to be washed and machine dried without damage. Face masks should be washed regularly depending on the amount of use.
