TOWN MANAGER'S UPDATE

After being closed for over a year due to the pandemic, we're excited to announce all town buildings are re-open to the public, effective May 3rd. Town staff has worked collaboratively over the past several months to implement various protocols designed to protect the health and safety of employees and the community. As you enter many of these buildings you will notice several enhancements, such as signage, touchless hand sanitizers, floor markings to encourage social distancing, and much more. We will continue to closely monitor new guidance and information to ensure your safety. Additional information related to the reopening may be found by visiting actonma.gov/COVID19.

The Annual Town Meeting will be held at 6:00 PM on Monday, June 21st at the Acton-Boxborough Regional High School. Attendees will have the option to sit either inside or outside. All materials including the Town Meeting warrant will be published within the next several weeks and may be found by visiting actonma.gov/townmeeting. The last day to register to vote in the Annual Town Meeting is Tuesday, June 1st. Contact the Town Clerk's office for an application, or register online at RegisterToVoteMA.com.

At the Annual Town Election held in March, Acton voters approved the second step required by law to change the name of the Board of Selectmen to Select Board. Town staff has begun the process of converting all materials to reflect the name change.

A friendly reminder that the Select Board has scheduled a Special Town Election on Tuesday, June 29th, at the RJ Grey Junior High School from 7:00 AM to 8:00 PM to fill the remainder of Joan Gardner's term on the Select Board.

We are excited to announce Acton has received \$7,500 from the Americans with Disabilities Act Improvement Program through the Massachusetts Office on Disability. This grant will fund a long-time priority of Acton's Commission on Disabilities to increase the availability of adaptive bicycles within the community. The Recreation Department will utilize this funding to acquire three adaptive bicycles (for all ages) and associated safety accessories. The bicycles will be stored at NARA Park and provided for use by the community within the park or on the Rail Trails. Thanks to the efforts of Recreation Director Melissa Rier and Commission on Disabilities member Leslie Johnson for their work on this exciting new initiative.

Sincerely,

John S. Mangiaratti
Town Manager

EMPLOYEE SPOTLIGHT

Lindsey King - Recreation Assistant

Recreation Department

Lindsey comes to us with a background in wedding event planning. She enjoys being part of the community and is kept busy with her young son and family. Lindsey has quickly become an essential member of our team. Please join us in welcoming her to Acton Recreation!

NATURAL RESOURCES

Natural Resources is collaborating with staff from Zoo New England to improve nesting habitat for wood turtles on the sunny embankment behind the bleachers at Veterans' Field. The turtles emerge from Nashoba Brook in the spring and spend the summer foraging on land. Females nest in early June. Zoo New England installed radio tracking on four females turtles. Once laid, eggs are taken offsite for incubation. Hatchlings are given a "head-start" indoors for a year; then returned to the brook, larger and stronger. On April 26 volunteers and staff removed turf and invasive plants to make the ground easier for female turtles to dig their nests.

RECREATION DEPARTMENT

It's May! The Merry Month of May! Acton Recreation has so much to share with you. Our programs adhere to all COVID-19 health and safety protocols.

SPRING AND SUMMER PROGRAMS - ONLINE AND IN-PERSON

Spring and summer programs for all ages are open for registration now. Please go to www.actonrec.com to register online or for a printable registration form. Forms and payment can either be mailed via USPS or placed in the Drop Box at the front of our 50 Audubon Drive Recreation Center.

Checks are payable to Town of Acton.

For assistance please call us at 978.929.6640 x0, or e-mail recreation@actonma.gov.

DOLI ATAMIAN CAMBERSHIP PROGRAM, INC.

Scholarships for NARA Beach, NARA Summer Camp and Acton Recreation programs provide qualifying Acton / Boxborough families with \$300 per child to be used for NARA Summer Camp, NARA Beach, Swim Lessons or Recreation programs. Please visit doliatamiancampership.com for information on how to apply.

NARA PARK - SPRING/SUMMER

ACCESSIBLE BICYCLES AT NARA PARK

Have you heard our big news? Town of Acton was awarded a generous grant to purchase a fleet of accessible bicycles. Recreation is acquiring bikes to suit a range of needs in models for children and adults. The bikes will be loaned to the public FREE of charge at NARA Park. Details of this innovative program are in process; please watch for updates on how to borrow an accessible Trike or Handcycle to enjoy at NARA.

2021 NARA BEACH MEMBERSHIPS - OPENING DAY MAY 29TH

NARA Beach memberships are available at Early Bird reduced rates until May 31. The Early Bird Discount is by mail-in registration only. Printable form is available online at Actonrec.com. The Family Membership allows up to six people per visit. Other options include Individual, Adult Couple and Senior. Senior membership rate is age 60+. Daily rates available.

NARA SUMMER CAMP

Registration is now open for your choice of 10 themed weeks, June 21–August 23. We recommend registering soon as space is limited due to ongoing COVID-19 restrictions. NARA Camp provides recreational opportunities for children through arts and crafts, swimming, sports, theater & music, nature, and more. NARA Camp follows all state COVID-19 guidelines to provide a fun and safe summer for campers and staff.

NARA BEACH AMERICAN RED CROSS SWIM LESSONS

Registration is open now for private or semi-private swim lessons at NARA Beach. All skill levels are welcome — no prior swimming experience necessary. Days and times are coordinated with the Swim Instructor. (Participants in semi-private groups must live in the same household.)

THIS MONTH IN SUSTAINABILITY

The trees are nearly in full bloom and Spring is officially upon us! If you're looking for a fun outdoor activity we recommend the Self-Guided Tours of the Acton Arboretum, complete with an audio recording provided by ActonTV to guide your stroll around the blooming flora. Check it out here: <https://bit.ly/3sOPYTX>.

THE LATEST IN GREEN BUILDINGS

The attic at the Red House was insulated in preparation for switching the building from oil heating to Energy Star® certified heat pumps next year. Public Facilities Superintendent Andrea Ristine, Building Maintenance Crew Leader Ed Clapp, and Sustainability Director Andrea Becerra are leading this initiative. This is part of a broader effort to reduce our carbon footprint—facilities and buildings at the Town of Acton make up 31% of municipal emissions. A BETTER WAY TO POWER

A live presentation on one of the quickest, easiest, and most affordable ways to reduce your carbon footprint

Tune in to the Select Board meeting on May 3rd to hear the Sustainability Director present the scope of work we've developed in partnership with the Metropolitan Area Planning Council (MAPC). We're excited to officially kick off this work at the end of May. We'll continue to post updates to keep you in the loop!

ARBOR DAY WELCOMES A NEW TREE AND OUR FIRST IN-PERSON GATHERING!

The Town of Acton hosted a multi-departmental celebration of Arbor Day and Earth Day at Jones Field. Blustery cold weather did not stop community members and our beloved K9 Zane from planting and welcoming the new red maple to the field in need of shade trees. Tree Warden Ryan Hunt led town staff and residents during the planting ceremony and Town librarians read a story for children, complete with Yoga tree poses.

Acton has a long tradition of tree care and conservation efforts—for 24 years it has been a Tree City USA, an honor granted by the Arbor Day Foundation for commitment to urban forestry, community improvement, and civic pride. Last year the Town received a Tree City Growth Award, which is given to select communities that demonstrate higher levels of tree care and community engagement. The new red maple also advances the Acton Open Space and Recreation plan shade tree planting program, a tree-planting program that has been running since 1941. Over 2,000 trees have been planted or set back from the road edge under this program. We look forward to continuing the decades long tradition and seeing more of you next year!

PUBLIC WORKS

SPRING PAVING

The following roads are slated to be paved this Spring:

- Acorn Park Dr.
- Walnut St.
- Chestnut St.
- Beechnut St.
- Hazelnut St.
- Palmer Ln.
- Henley Rd.
- Nonset Path
- Captain Handley Rd.
- Reeve St.

- Alexandra Way
- Harris St. (Main St to end)
- Central St. (Littlefield Rd to the Boxborough Town Line)

This process will involve grinding, adjusting drainage structures and putting down a final course of pavement.

Please note, the duration and schedule can change depending on the weather or other conditions that may arise.

While the crew is working there will be no on-street parking allowed within these areas. A police officer will be in the area to direct traffic and signs will be posted.

We appreciate your cooperation and patience during this time.

If you have any questions, you may call the DPW/Highway Division during business hours (7:00 AM – 3:30 PM) at 978-929-7740 or e-mail: highway@actonma.gov

FIRE DEPARTMENT

OPENING BURNING SEASON ENDED ON MAY 1ST.

FIRE SAFETY FOR GASOLINE AND LAWN MOWERS

Gasoline and Lawn Mowers Gasoline vapors are highly flammable. They stay on your clothing and can ignite if you light a match or cigarette.

Store gasoline only in approved containers, outside, or in a building not attached to the house. Never keep gasoline inside the home.

Keep gasoline away from all heat sources such as smoking materials, pilot lights, campfires, and grills.

Never fuel a lawn mower while it is hot. Let it cool off first.

Keep hands and feet away from a mower while it is running.

NATURAL RESOURCES

Archaeological consultants Gray and Pape conducted an investigation of the Shoddy Wool Mill site at 53 River Street in April. Found objects include old shoddy wool material, buttons, machinery parts, and char from the fire that destroyed the mill in 1951. After the results of the archaeological study are reviewed by the Acton and Massachusetts Historical Commissions, planning will commence for the design of an historic park. Plans for the removal of the dam will also be revised and permitting of the project through state, federal and local regulatory authorities will continue.

GREEN GRASS AND CLEAR WATER

Many of us value having nice lawns and enjoy the time we spend working on them. However, some lawn care practices can create water quality problems. Plants need nutrients to grow, but excess nutrients, including the nitrogen and phosphorus found in fertilizers, can run off our properties when it rains and cause problems in local waterbodies. Too many nutrients in our water can trigger algal blooms that cloud water and rob it of oxygen.

Here are some easy practices for creating and maintaining a truly healthy lawn that looks great and is safer for the environment!

- Test your soil! Only apply fertilizer when necessary.
- Apply fertilizer sparingly and ensure proper fertilizer application rates.
- Apply fertilizers in the spring and early fall when grass is vigorously growing.
- Select fertilizers with low or no phosphorus unless a soil test indicates otherwise.
- Apply organic fertilizers if possible.
- Choose slow release fertilizers when possible.
- Try not to apply fertilizers near waterbodies.
- Don't overwater. Typically, 1" of water per week applied over 1 or 2 days is enough.
- Mow grass no shorter than 3" high.
- Cut grass often enough so you never remove more than 1/3 of the blade at a time.
- Leave the clippings after mowing so they can return nutrients to the soil.

Using these water-quality friendly lawn care and fertilizer recommendations is a small change that can make a big difference. For further information, please contact the Acton Land Use Department.
