

Cultural Resource List

Acton, Massachusetts

ACTON HISTORICAL COMMISSION

The following list of homes, buildings, and structures are deemed culturally significant to the Town of Acton based on age, architectural style, representation of a particular time period, or as a site key to a historical event or person. Listed or “inventoried” properties are overseen by the Acton Historical Commission and are protected through the Demolition Delay Bylaw and may be eligible to display a historical plaque.

NOTE: Acton’s Cultural Resource List is included in the Commonwealth’s Massachusetts Cultural Resource Information System (MACRIS) database, which is searchable by property address.

Go to: mhc-MACRIS.net

Properties denoted as a Cultural Resource by the Acton Historical Commission appear in either the following **Cultural Resource List** or on **MACRIS**, so please check both as updates are entered.
